Easter Brunch after the Sunrise Service

Awaken this spring to all things new, to gardens revived and friendships revisited. Easter, also called Pascha, is the most important religious feast in the Christian liturgical year.

It celebrates the resurrection of Jesus Christ, which Christians believe occurred on the third day after his crucifixion some time in the period AD 27 to 33. As with many other Christian dates, the celebration of Easter extends beyond the church. Since its origin, Easter has been a time of celebration and feasting. While lamb has become a popular main course, in the south ham remains the all-time Easter favorite. My recipe for Ham and Cheese on Rye Strata is an elegant brunch entree. Pair your strata with a delicious Green Salad with Fresh Fruit and Blackberry-Basil Vinaigrette along with Glazed Baby Carrots. At our house Mama's Deviled Eggs are a must on Easter Sunday! Celebrate the glorious gift of Easter with a scrumptious buffet brunch. The entire menu can be made ahead and combines traditional holiday fare with a few fun surprises! Happy Easter! (The recipes this week are from my new cookbook, Celebrate Everything! with photography by Paul Nurnberg. Copies are available at www.cateringbydebbicovington.com .)

of folk. Every turn of the calendar brings its share of special occasions, and it's a good idea to plan ahead for them. This is especially true when it comes to the Easter season, which is a time of great joy and celebration. The Easter story is one of the most important in the Bible, and it's a story that has inspired millions of people for centuries. The Easter story is a story of hope and new life, and it's a story that we can all relate to. The Easter story is a story that we can all learn from, and it's a story that we can all celebrate. The Easter story is a story that we can all share, and it's a story that we can all enjoy. The Easter story is a story that we can all live by, and it's a story that we can all follow. The Easter story is a story that we can all love, and it's a story that we can all cherish. The Easter story is a story that we can all treasure, and it's a story that we can all hold dear. The Easter story is a story that we can all keep close to our hearts, and it's a story that we can all keep in our minds. The Easter story is a story that we can all keep in our souls, and it's a story that we can all keep in our lives. The Easter story is a story that we can all keep in our hearts, and it's a story that we can all keep in our minds. The Easter story is a story that we can all keep in our souls, and it's a story that we can all keep in our lives.

But with the arrival of spring, it's time to think about the Easter story. The Easter story is a story of hope and new life, and it's a story that we can all relate to. The Easter story is a story that we can all learn from, and it's a story that we can all celebrate. The Easter story is a story that we can all share, and it's a story that we can all enjoy.
