

During the week of June 5-9, stroll through lovely gardens at The Beaufort Garden Club's 23rd annual Garden-A-Day. This event allows visitors to enjoy the beauty of a different private garden each day. It is FREE and open to the public.

Enjoy peach tea and homemade cookies provided by the Club as you meander. Master Gardeners from the area are there to answer questions and offer advice. Garden-A-Day attracts hundreds of people each day and many return year after year. Rain or shine: the garden tours are FREE and open from 9:30 am -12:30 pm. Come, relax, enjoy and be delighted, as well as inspired.
